

***Erasmus+ KA2 Capacity Building project***

**Development of the targeted Educational program for Bachelors in Solar  
Energy in Uzbekistan**

**(DEBSEUz)**

***23 April 2025***

## **7<sup>th</sup> ONLINE MEETING**

**Venue:**

**Tashkent 100084, Amir Temur Avenue 118  
Tashkent University of Information Technology**

**Participating Institutions:**

- Tashkent University of Information Technology (TUIT), Uzbekistan
- Politecnico Di Torino (POLITO), Italy
- Universidade de Evora (UEVORA), Portugal
- Universidad Politecnica De Madrid (UPM), Spain
- Turin Polytechnic University in Tashkent (TTPU), Uzbekistan
- Jizzakh polytechnic institute (JizPi), Uzbekistan
- Fergana Polytechnic Institute (FerPi), Uzbekistan
- Andijan state university (ASU), Uzbekistan
- National Research University "Tashkent Institute of Irrigation and Agricultural Mechanization Engineers institute" (TIIAME), Uzbekistan
- Karakalpak State University (KSU), Uzbekistan
- Ministry of higher education, science, and innovations of the Republic of Uzbekistan (MHSSERUZ)

Meeting ZOOM ID: 455 492 9707

Access code: 1

| Time (GMT+5)  | Programm                                                                                                                                                                                                                                                                                                                                                                                                            |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 13:00 – 13:10 | <b>Opening, welcome speech</b>                                                                                                                                                                                                                                                                                                                                                                                      |
| 13:10 – 13.30 | <b>WP1: Project management and coordination (TUIT &amp; POLITO)</b><br>Progress Report (TUIT);<br>Financial flows and budget management (TUIT).                                                                                                                                                                                                                                                                     |
| 13.30 – 14.00 | <b>WP3: Bachelor Degrees organization (UPM &amp; FerPI, MHSSERUZ)</b><br>Courses development (All partners);<br>Approve and accreditation of new educational programs (FerPi, JizPi and KSU)<br>and modernized exciting educational programs (TIIAME, ASU and TUIT);<br>Approval of new short-term courses on solar energy engineering and<br>maintenance and exploitation of solar energy systems (UPM and FerPI). |
| 14.00 – 14.20 | <b>WP4: Establishment of laboratories and centers (POLITO&amp;ASU)</b><br>Equipment purchase (7 Uzbek HEIs) and establish centers (2 HEIs) (ASU);<br>Pilot lunch of training and co-working centers at 2 partner technical universities<br>in Uzbekistan (Polito and ASU).                                                                                                                                          |
| 14.20 – 14.30 | <b>WP5: Quality Control and Monitoring (TTPU&amp; Polito)</b><br>Report of Implementation of Quality Plan (mid-term) (TTPU);<br>Quality Control and Monitoring strategy discussion (TTPU).                                                                                                                                                                                                                          |
| 15.30 – 16.00 | <b>WP6: Dissemination Plan (FerPI &amp; KSU)</b><br>Implementation of Dissemination Plan (mid-term);<br>Dissemination issues (FERPI);<br>Web-site preparation and updating;<br>Info-days for Student Enrolment;<br>Organization national conference 2.                                                                                                                                                              |
| 16.00 – 16.30 | <b>Various issues</b><br>Second training Sessions for teachers on curriculum development (UPM)                                                                                                                                                                                                                                                                                                                      |
